At the request of customers, Adobe is introducing more upgrade paths to Adobe Creative Suite 3. Please note the following about these paths:

For example, a customer who owns Adobe Photoshop® 7.0, CS, or CS2 software may upgrade to most editions of Adobe Creative Suite 3; or, as another example, a customer who owns Adobe InDesign® 2.0, CS, or CS2 may upgrade to InDesign CS3.
- Customers who own *any* previous version of Adobe Premiere® or Adobe Premiere Pro may upgrade to Adobe Premiere Pro CS3 or Adobe Creative Suite 3 Production Premium.
- Customers who purchase a CS3 version of a standalone product are eligible to upgrade later to an edition of Adobe Creative Suite 3. For example, a customer with Adobe Illustrator® CS3 can move to Creative Suite 3 Design Premium for the upgrade price.
- Information about pricing in Euros and Yen, educational pricing, and volume licensing is available separately.
